

— USGA RULES GOVERN ALL PLAY —
Except Where Modified by the Following Local Rules

- The embedded ball rule is in effect *in the general area*.
- A ball coming to rest in flower beds or tree nurseries may be lifted and dropped without penalty, no nearer the hole.
- Providing relief from intervention by fixed sprinkler heads on or within two club-lengths of the putting green when the ball lies within two club-lengths of the sprinkler head. Ball may be dropped nearest relief, one club-length and no closer to the hole with no penalty and not on the putting green.
- Railroad ties, paved roads, rain shelters, yardage markers and cart paths are considered immovable obstructions.
- A ball coming to rest on the homeowner side of a water hazard is deemed Out of Bounds.
- If your ball comes to rest in the edged border between the green and the collar, you are allowed to mark your ball, take relief without penalty and place your ball no closer to the hole.
- When playing Hole 9, Gator Hole 1 is out-of-bounds.
- The sandy area on Hole 11 is a waste area, not a bunker. Balls coming to rest there must be played as they lie.
- When playing Hole 17, if it cannot be determined with certainty where a ball last crossed the margin of the *penalty area* adjacent to Hole 11 green, you must use the drop area. This drop area is not available for balls entering the Spring Creek *penalty area* on the left.

Pelican's Nest uses early warning lightning detection. One prolonged blast indicates players must seek shelter. Three short blasts indicate play may resume.
